During March and April, because of sheer volume of orders, it may not be possible to despatch by return, but every effort will be made by the company to despatch as soon as possible. Orders will be despatched in order of receipt.

DAMAGE AND SHORT DELIVERIES: Claims of short delivery or damage will not be recognised unless made within seven (7) days of receipt of goods.

WARRANTY: All our products are warranted to be of merchantable quality when leaving our factory. Complaints of any nature will only be recognised through an authorised agent or distributor. Distributors are NOT authorised to replace goods without prior approval. Any goods to be returned on complaint must have freight charges pre-paid to our factory. If an examination proves the defects are of such a nature as to be covered by warranty, the goods will be replaced or repaired without charge. Otherwise the distributor will be notified of the charges to be made for the repair, etc.

RETURNS: Must have freight charges pre-paid.

GUARANTEE: In common with other manufacturers, we find it impractical to give our cricket bats a conventional guarantee. Although we use raw materials of the highest quality both cane and willow are natural materials with unpredictable durability. We are however, concerned with maintaining our reputation for quality and will repair or replace bats which in our opinion, have not given adequate service. We are unable to accept responsibility for bats damaged by misuse (e.g. over oiling, failure to 'play-in' the bat properly, use against cheap cricket balls, etc).
